Silver Spotlight

LORETTA DOOLEY

Loretta was born on January 1, 1934. Not at home or in the hospital, but at a local funeral home in Sauk City. She was the youngest of 7 girls. Her father worked at the creamery in Sauk City and her mother was a homemaker. Loretta loved playing outdoors as a child, especially softball. Her happiest childhood memories are family get together with aunts, uncles and cousins for big dinners. Loretta graduated from Sauk High School. She went to IBM school and worked in the computer field for 37 years at Rayovac.

Loretta met her husband of 48 years, Pete Dooley, when she was working at the Zemke Jewelry Store in Sauk City. Pete worked for the local paper and would come in to buy photo supplies. They were married in April at St. Aloysius Catholic Church. All of her sisters were in the wedding. Her wedding colors were blue and white. After they were married, they moved to McFarland as Pete got a job at a printing company there. Pete and Loretta traveled “all over” Wisconsin, her favorite place being Door County. They also traveled to Ireland and different parts of the United States. Loretta notes she is most thankful for her family as she has 23 nieces and nephews! When asked what advice she would give younger generations, she says, “Stay Happy!” Loretta enjoys family visits, playing Euchre and Solo. We admire Loretta for her perseverance and great sense of humor!
