Silver Spotlight

DOROTHY JOHNSON

Dorothy grew up in Wisconsin on her family farm. She graduated from Westby High School. After graduation, Dorothy took a train to Chicago and enrolled in Lutheran Deaconess Nursing School and Hospital. She met her husband, Robert (Bob) Johnson, when he was a patient at the hospital where she was working. He came back to the hospital to have his tonsils out, and “the rest is history”. The couple married on September 15th, 1945. Bob was a musician, selling pianos and organs. Dorothy continued her nursing career in LaCrosse, Milwaukee at St. Lukes and then retired from Meriter hospital in Madison.

Dorothy has three children, who she lovingly calls the 3 K’s: Karolyn, Kathryn, and Karl. Her children have wonderful memories of her cooking, keeping a tidy home, and being always on the go. She has five grandchildren and seven great-grandchildren.

Some of her favorite music was when her husband or children played the piano. Although Dorothy is pretty easy to satisfy, her favorite foods include sugar cookies, krumkake, lefse, and homemade beef hot dishes, all of which Dorothy is well known for cooking for her family.

Dorothy considers herself easygoing and takes in stride everything that comes her way. In her free time, Dorothy regularly reads the newspaper, watches TV, and keeps in touch with family, enjoying their visits! If she could live anywhere in the world, she notes she would choose “right where she is” because she is happy around our area. Being raised on a farm, Dorothy says she enjoys horses, cows, calves, dogs, and every other animal. She had a pet dog named Lars.

Dorothy is most thankful for her good health and notes the most important thing she has learned in life is the joy of family. She states that going on trips together and enjoy things like that are important as a family. Dorothy is a testament of the strength of her generation. Having contributed hard work and dedication in her nursing profession, providing a loving home for her family, and enjoying the little things in life along the way have been her values.

We enjoy Dorothy, as she never forgets a “Thank you” and is so kind to everyone. We are happy to have you with us!
