**Dear Family & Friends, we miss you!!** As you know, things are constantly changing in regards to COVID-19. We are learning to “go with the flow” as far as activities and leisure time. We are continuing with meaningful 1-1 visits and outdoor time as much as possible. Doorway activities done as a small group will resume and continue as we are able.

We are sending out newsletters via mail, and email this month to each community member’s first Emergency Contact/Activated HCPOA. We ask that you share the information with the rest of your family/friends that may be involved in your/your loved one’s care. Please note that the latest Newsletters and Activity calendars are available on our website: [waunakeemanor.com](http://waunakeemanor.com). If you would like a mailed copy of the newsletter, rather than have it emailed or access it on our website, please contact the front desk receptionist to be added to the mailing list. **NOTE:** *Waunakee Manor Community members will continue to receive an enlarged copy of the calendar each month.*

\*Waunakee Manor has a FACEBOOK PAGE! Like us on Facebook to receive updates on events and goings on here at the Manor.
